School of Choice Priorities

- Do we want to add a "FRL" priority status (as a pilot) to our choice process?
  - Benefits – Keep our school diverse, potential for FRL grants
  - Concerns – Transportation. Will people who get in actually come (how will it impact our budget,)? Will there be unexpected consequences?
  - Approved

Update on PTA standards, testing and curriculum presentation for parents

- Amanda Martin and Allison Lahner presented on standards, high stakes testing and the new math curriculum at the last PTA meeting. The meeting was well attended and parents seemed happy with the presentation.
- We will get the presentation power point posted on-line.
- We will continue to work on ways to share curriculum information and resources with parents – especially through our website and through the math night in March.

Next meeting date:

January 7 - Agenda: Budget Prioritization Protocol
