

# THE DPS SCHOOL CHOICE PROCESS FOR 2018-2019

It's that time again – time to choose where you'd like your child/ren to attend school next year. Most of Edison's currently attending students will not need to submit choice applications and will continue at Edison for the 2018-2019 school year automatically.

**The following students, however, *must* submit choice applications** in order to continue at Edison or to choose another school to attend next year:

All ECE students

All 5<sup>th</sup> grade students

Advanced kinder students who do not live in Edison's attendance area

Anyone who came to Edison this school year on an administrative transfer

Anyone transferring to a different school, whether or not it's your boundary school

Anyone new to Edison for the 2018-2019 school year

**The application period is February 1 - February 28. Applications must be submitted online this year;** there will be no paper applications available. Starting on February 1 you can submit an application at [schoolchoice.dpsk12.org](http://schoolchoice.dpsk12.org). This can be done from your phone or computer. (Chrome will work better than Explorer.) If you do not have internet access at home you can come into the office and use a Chromebook here.

Families with a Parent Portal account can use your PP account login information to get started. If you do not have a PP account you can set up a School Choice account. It will be faster if you have a PP account because some of your information will auto-fill. (If you have previously set up a PP account but haven't used it in over 6 months, it will be dormant and you'll need to call the Parent Portal hotline at 720.423.3163 to get it reactivated.)

**All applications must be submitted online by 4:00 on February 28, 2018.** Applicants will be notified of their placement via email or mail around the middle of April, 2018.

Keep in mind that if you choice out of your boundary school and are given a spot at another school, you give up the guaranteed spot at the boundary school and will have to go through Second Round Choice (starting in March) if you later decide you want your child to attend the boundary school.

Please call Edison's office at 720-424-7780 if you have any questions about this process.
