

Edison Science Fair  
**Coming Soon!**  
**November 22, 2013**

Dear Parents/Guardians,

October 24, 2013

Your child is invited to take part in Edison's Science Fair scheduled for Friday, November 22. This is an exciting event that encourages students to use their critical thinking skills. Each Edison student is encouraged to participate and may present a project done individually, in a small group, or as a class. There will be two categories that students can participate in:

- 1) Experimental design projects that include the Scientific Process
- 2) Informational Projects to highlight knowledge of a scientific study

Please fill out and return the bottom portion of this flyer if your child wishes to participate. Please return by Friday, November 1

Yes, I would like to participate in Edison's Science Fair on November 22, 2013. Please send a Science Fair Information Guide home or email it to me!
