

BLUFF LAKE NATURE CENTER

2012 JUNIOR NATURALIST SUMMER CAMPS

“HOT-BLOODED” CAMP

June 11-15: 6-10 year-olds

June 25-29: 8-12 year-olds

July 23-27: 6-10 year-olds

Are you hot-blooded? So are some of Colorado's most amazing animals! Join us for a fun-filled week of mammal and bird-themed explorations and activities—including games, crafts, and even a live raptor visit from Nature's Educators!

“COLD AS ICE” CAMP

June 18-22: 6-10 year-olds

July 9-13: 8-12 year-olds

July 30-Aug. 3: 6-10 year-olds

Take our advice and stay cool this summer while you discover Bluff Lake's cold-blooded animals! How do butterflies get relief from the heat? Why do lizards bask in the sun? Uncover this and more, and enjoy a live animal visit from Nature's Educators!

All camps run Monday through Friday, 9:00am-12:00pm. The fee is \$140 per week for BLNC members and \$160 per week for non-members. Register for multiple children/multiple weeks and receive a \$15 discount for each additional child/week.

One of the real world challenges in the ENVISION program is Magnetropolis™
Ahoy! Set sail to the magnificent island of Magnetropolis and explore the power of magnetism. Build boats, buildings and towers!

Hands-on Science Fun Qualified Educators Real World Challenges

Dear Parent:

Want your child to satisfy their natural sense of curiosity after the school year ends? We can help! This summer, Steele Elementary School is hosting Camp Invention, an exciting week of science FUN for children in grades one through six!

A safe, creative outlet for children, Camp Invention allows participants to explore the unknown, tinker with ideas, and ultimately, develop their leadership and entrepreneur skill set. Your child will be building long-lasting memories while discovering solutions for real-world problems.

Camp Invention is led by local, highly-qualified educators who believe in a team environment.

This year's ENVISION program features:

- ▶ **Magnetropolis™** - Set sail to the magnificent island of Magnetropolis and explore the power of magnetism!
- ▶ **Inventeureka™** - Build your own invention that will morph into amazing, new prototypes!
- ▶ **I Can Invent: Balloon Burst™** - Take apart a broken machine! *take apart*
- ▶ **Action and Adventure Games™** - Create your own new game!

As an enthusiastic advocate of hands-on learning, I am thrilled to bring this opportunity to our community.

Register today - space is limited!

Sincerely,

Sara Jenkins, Director
