

Edison EXTRA Enrichment Family Information

At Edison, we believe that enrichment activities are an essential part of a well-rounded academic education. Therefore, Edison is proud to offer a variety of after school enrichment classes for students who attend our school.

If you wish to sign your child up for an enrichment class, please be aware of the following important information.

- After school enrichment classes are run by independent providers or DPS teachers who are renting a space at Edison to provide this service. These providers are not supervised or overseen by the school leadership or the Edison enrichment coordinator (Valerie Lovato), however, they do complete an application and a background check in order to be approved to lead a class at our school. If you have any questions or concerns, please contact the provider(s).
- **In order to be prepared to sign up your students for enrichments using Homeroom, please register your account before August 22.** Go to this link for instructions and a link to register:
<https://homeroom.helpscoutdocs.com/article/45-create-parent-account>
- We are limiting all students to a maximum of **TWO** enrichment courses until Tuesday August 29th. On August 29th, families are welcome to sign their students up for any remaining open spots. Any students who are signed up for more than two enrichment courses before August 29 will be removed from additional courses.
- [A list of Edison Extra Enrichment classes being offered](#) is located on this site. This list is still being updated as providers register with us, all classes will be posted by August 22, so please check back if there is an enrichment you are looking for but don't yet see.
- After school classes are held one day per week and will run from 3:30-4:30 PM.
 - The Fall enrichment classes will start the week of **September 4** and end the week of **December 4** (make-up week the week of December 11).
 - The Spring enrichment classes will start the week of **January 8** and end the week of **May 6** (make up week will be the week of May 13).
- Pick up after school classes:
 - For students in ECE-K: At 3:25, Edison EXTRA Enrichment providers will pick up ECE and Kinder students from their classrooms and sign them out.
 - For students in 1st-5th grades: At 3:25 pm, all Edison 1st-5th grade students will be dismissed on the east side of the building. Students participating in Edison EXTRA Enrichment programs will be dismissed by their classroom teachers and sent to the picnic table area near the steps to the school library to join their enrichment provider.
 - Discovery Link Families: If your child normally attends Discovery Link, then the parents of children participating in Discovery Link will need to complete an *Enrichment Provider Form*. These forms are available at Edison's Discovery Link and need to be completed prior to each activity (or session) and for each individual child. On days your child is registered for enrichment activities your child will go directly to his/her enrichment activity at the end of the school day. The enrichment provider is responsible for ensuring your child gets to Discovery Link at the end of the enrichment program. Students who also attend Discovery Link **DO NOT** go to Discovery Link first, they proceed directly to the Edison EXTRA Enrichment pickup area.
- At the end of the class: The provider will walk ALL students to the main entrance (on the front or west side) of the school and take them outside to meet their caregivers or those authorized to pick them up. Caregivers are asked to please be on time and wait outside. When all the regular students have been picked up the provider must walk Discovery Link students to the appropriate location and sign them in.
